“ There are many great momeories from growing up together. We played on many school and summer league baseball teams. He reminded me of Mickey Mantle the way he hit with power and ran. The real similarity was his grin and his laugh, it always made us feel good. Condolences to Paulette and the Dilly family

“ Danny, you will missed more than you know. You were the Rock of this family. You were loved by many. Your Buddy, Anthony will miss his mentor and teacher. He loved learning and working with you. There is a void in our lives now. Your daughter Lisa stated" my dad was my go to person". You taught Scott the game of baseball! You were the best brother-in-law to me. I could always count on your computer skills. I will miss you very much.
Rest in Peace!
Love you,
Elizabeth Vanne
