“ I'm so saddened by the loss of Fran. My heart is truly hurting. What a wonderful dear friend she was for many, many years. We had so much fun at FSU. We studied hard, but built so many special jokes and memories. She taught me to cook. I still make her lasagna and beef stroganoff. She was so special. I'm still so shocked. I thought we would get together soon and catch up. I will keep you all in my prayers as I know her family meant the world to her and she to each of them. It's a reminder how very precious life is. She will forever be in my heart. Sandy (Scheerer) and Richard Lalonde
