“ Dear Tom & Family,

On behalf of the Bouldin family, we send our love and condolences. We are all with heavy hearts as Kimmy & her family have been neighbors, friends, and family to us for over 50 years. Kimmy was especially dear to me as she has been a support to me since I was a little girl. She became the God Mother of my first son and infected him with her sweet, kind spirit. She will be missed dearly. We will continue to keep you all in our prayers.

God Bless,
Sheri, Brenda, Billy & Craig

“ Dear Kim,

Although you may no longer be here in the physical world, you are now an angel in the heavens looking down and guiding us.

You will forever be in our presence when I look at each and everyone of our sisters and brother. I will always see a glimpse of you in all of us, especially in the faces of your children.

Rest in eternal peace.

Love,
Linda

“ Kimber, the day has arrived when God called you home. I bet Heaven is so much more lively since you've arrived. I know for certain that you will be truly missed here on earth. The compassion and love you have shown everyone will forever be in our hearts. You have left an imprint on everyone. I know I will miss your crazy silly self. Fly high with all the Angels. Give Mom and Dad a great big kiss and hug for us all. Enjoy the reunion. Rest in eternal peace. Love and miss you Kimber. Love Julie

“ To the family of Kim Watts. I have known Kim all of the thirty years she was with Aces, out lasting a couple of owners. She was the best. She was a pleasure to talk to when you called the pharmacy and needed a specific question answered. I enjoyed our laughter when she would deliver medication to my house when my daughter couldn't pick it up. I considered us friends and I will miss my friend as so many others will. Rest in eternal peace Kim and I pray that God will give her family peace. God bless all of you.

“ Aunt kimmy it's hard to imagine a world that doesn't have you in it, nanny use to tell us growing up that it's always the good ones who are called back home. The world won't be the same without you in it and the lives you touched, the people you helped and the love you shared with us all. We will forever hold you in our hearts, until we meet again aunt kimmy. May you forever fly high

Those we love don't go away, they walk beside us every day. Unseen, unheard, but always near, so loved, so missed, so very dear.
