“ My dad, what can I say other than he taught me so much....we had amazing times together. The memories will last forever in my heart. One incredible man that taught me how to love, how to get my hands dirty and be a great daughter, mom, wife and friend! I will forever love the first man in my life. I thank him for my amazing life, and for allowing us (Ralph, Shannon & I) to have the joy of being with him everyday!
Til we meet again. My heart is hurting and wish you peace - you can be with the love of your life...forever and a day!
